How to Set Up a Fundraising Project

Click 'Create a Fundraising Campaign' to begin

On this screen, click 'Register' and follow the prompts.

You now have a Raise for Schools account.

Raise for Schools partners with Stripe for secure payments. Click 'Creator Account' to link a Stripe Account where your funds will go

Simply click 'Connect with Stripe' and continue by entering your Stripe details

Funds* raised in your campaign are processed by Stripe straight into your chosen Stripe account. Read Stripe's Terms and Conditions for more information

*There is a 1% Raise for Schools platform fee

Next, click 'Create Project'

Fill in the details of your Project
